CORRECTED
AMENDMENT AND RESPONSE TO RESTRICTION REQUIREMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

This corrected submission is intended to be substituted for the submission filed on May 17, 2004. This Amendment and Response to Restriction Requirement is identical to the one filed previously, except that it corrects an obvious typographical error that was made when claim 6 was reproduced in the earlier Amendment. Specifically, in the May 17, 2004, Amendment, line 3 of claim 6 inadvertently recited "4 cationic amino acids," whereas the text of original claim 6 recited "3 cationic amino acids." This typographical error has been corrected in the attached claim set. Please enter the attached corrected claim set.

Amendments to the Claims as provided in the May 17, 2004
Amendment are reflected in the listing of claims which begins on
page 3 of this paper.

Remarks and the response to the Restriction Requirement
begin on page 6 of this paper.
